Dick,

Here is a sketch of the overnight storage box I spoke to you about yesterday.

Would you have your company engineers look it over and give you a rough estimate of the unit costs in lots of 500, 750, and 1,000. Perhaps they may also have some suggestions for improving the design or reducing the unit cost.

When you get an estimate, just give me a call. Thanks for your interest.

Sincerely yours,
